

## Chester and North Wales CTC Club kit orders 2023

Order before Monday 8<sup>th</sup> January 2024

As there have been several requests for club kit arrangements have been made to set up a bulk order for the 4 items that have proved most popular in the past.

Prices are based on a discount for sending in an order for at least 10 garments and a small subsidy from C&NW CTC.

Item	Price
T1 Road Jersey - short sleeved inc bulk discount	69.00
T1 Road Jersey - long sleeved inc bulk discount	74.00
T1 Rain Gillet - inc bulk discount	78.00
T1 Light Weight Jacket - inc bulk discount	90.00

If there is a sufficiently large order to reach the next level of discount then the price reduction will be passed on to members. If the level of orders is too low to get the bulk discount you will be contacted to see if you want to continue with the purchase at the higher cost.

The kit is from the Impsport T1 custom range
