Breeze

Free, inclusive bike rides for women, led by women

Train for the Willen Sportive with MK Breeze Cycling Club!

Would you like to join other women who are training for the Willen Hospice Sportive? Perhaps even make new cycling buddies to ride with on the day?

Breeze Milton Keynes, a women's only cycling group, is offering training road rides on selected Saturdays in June, July and August.

The distances each week will depend on the riders and demand.

Get in touch with VeloAnn1@gmail.com to register your interest and learn more.
